

**Professional and friendly  
relations**

- Traditions professional and friendly ties inherent in our educational institutions.
- Before creating Evroklubu the institution since 1982 operated club "Meridian"
- Guests from Chechoslovatchyny, Poland, Bulgaria came not only to relax and socialize but also participated in the construction of our institution.
- Currently maintains friendly ties with educational institutions of Poland and our partner companies "Knauf" and "Snezhka"

For many years the HPC-1 maintains partnerships with field crops school in Sendzeyovitsah Lodskoho Province (Poland).? In 2002-2005r. such cooperation took place within the international program of the American Polish-Ukrainian cooperation PAUSI. Today, despite the fact that Poland became a full member of the European Union is working on finding new opportunities to diversify bilateral relations between institutions. Since 14 November 2007. Poland signed two cooperation agreements
