***Believe me, we are not guilty of this world
What's not to love, do not live happily
Only a humble sorrow and loneliness
Shkrebemo land pohubyvshy wings***

***But why? Why so tragically
Surely billboards of visible happiness we
Tired of hesitation Mystery
I asked the question "Do we become
human?"***

***Looking cartoons, believed in goodness
Those outlined in colorful frames
How unfortunate that is long gone ...?
Hirkuyu not realize the whole truth.***

***All know that we are not in the world
Where every day as a new chance.
But that illusion is covered
It seems that God has forgotten us.***

*Steps to Happiness
My soul, like a guitar string
Stretched and torn
I'm not a man - I'm a ghost
My heart is closed to play.*

*Every morning is reminiscent of the
infamous World
Forgotten me several years
I answer people "Hello"
Do not listen to the prophets say.*

*I do not see joy, happiness, love,
And just anger and a sea of blood
Hold hard not to crack
Gather your things, go to the end of the
world.*

*Go where no one visited
Where God wrote the fate of people
Where I'll be peaceful, will calm,
In the region, where poverty die.
